# COLORIE les logos

Merci d'avoir téléchargé  
Colorie les logos !

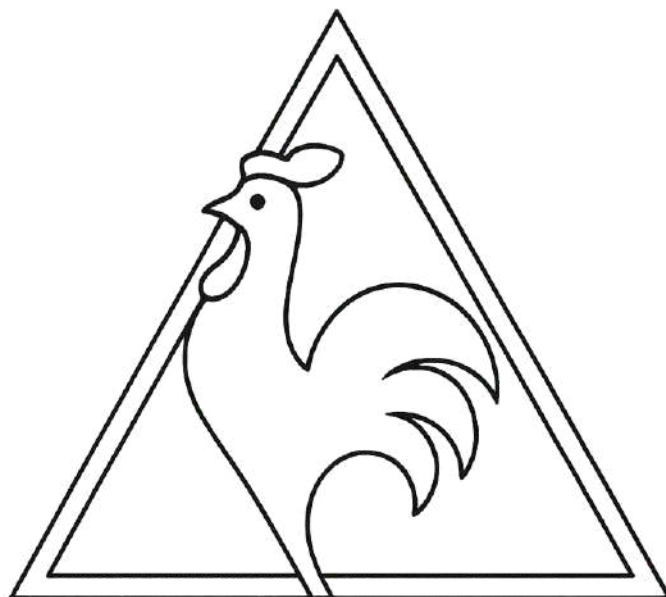

Ce livre rassemble plein de logos inspirés  
de différents univers : le sport,  
l'alimentation, les médias, la restauration  
rapide... et quelques surprises que je vous  
laisse découvrir par vous-même.

J'espère que vous prendrez autant de  
plaisir à les colorier que moi à les créer.

 Bon coloriage !
